**Des Plaines, IL- BETA TESTING AT ICCA CONFERENCE**

The Independent Computer Consultants Association (ICCA) will be offering beta testing of the ICCP's Information Technology Consulting exam at their 29<sup>th</sup> Annual National Conference 'Growing your Business'. Attendees of the conference have the opportunity to access the ICCP examinations at discounted rates and also at the 'pay-if-you-pass' basis while at the conference. For more information regarding the ICCA conference, please consult their web site at [www.icc.org/confinfo](http://www.icc.org/confinfo) .

The ICCP is a not-for-profit organization that has been testing computer programmers, systems analysts, I.T. Managers, systems developers and other computing professionals since 1973.

Passing the examinations also allows an individual to simultaneously work towards a college degree in computing or business information systems.

For more information on the Certified Computing Professional (CCP) or other designations offered by the ICCP and how to prepare to write its examinations, please visit [www.iccp.org](http://www.iccp.org).
