Des Plaines, IL- ICCA JOINS ICCP BOARD OF DIRECTORS

At the May 2006 ICCP Board of Directors Meeting it was unanimously voted to accept The Independent Computer Consultants Association (ICCA) as a Constituent Member of the ICCP Board of Directors. Members of the Board of Directors guide the business operations of the ICCP.

ICCA is a member-based not-for-profit society managing the standards, body of knowledge and professional practice for Independent Computer Consultants. Their decision to join the Board of Directors has confirmed their dedication and determination to maintain a standard of excellence in the computing industry.

The ICCP is a not-for-profit organization that has been testing computer programmers, systems analysts, I.T. Managers, systems developers and other computing professionals since 1973.

Passing the examinations also allows an individual to simultaneously work towards a college degree in computing or business information systems.

For more information on the Certified Computing Professional (CCP) or other designations offered by the ICCP and how to prepare to write its examinations, please visit www.iccp.org.
